Barley

Thank you buddy! We will miss you
so much!

Thank you for being a
part of the Sierra
Team. You were a
constant source of
entertainment,
distraction, and
support for all of the
students and the staff.
Thank you for giving
our students a
purpose, a sense of
belonging, and
courage.

-Dr. Erin

Barley stealing a student seat
during our Starbucks trip.

My class's number one memory of
Barley was him getting in the trash!
They laughed about how often we
had to tell him "Leave it!". I also,
truly appreciated Barley making all
our hard Monday's that much easier
by getting pets and putting smiles on
our faces during Monday Madness.
