School Facility Conditions and Planned Improvements

Sierra School takes pride in the cleanliness of our facilities, both inside and outside. Sierra School leases a school facility from San Diego Unified School District. The facility consists of four buildings

including classrooms, administration offices, therapy settings, and a multi-purpose room used as a gym and assembly area. We have extensive outdoor fields for play areas. The school grounds are maintained by a full-time ground’s keeper/custodian. Building maintenance for cleanliness and sanitation occurs daily, and pest control as needed. The school buildings have undergone renovation as part of a Building Modernization Plan. Upgrades to ensure property and buildings are all compliant with the Americans with Disabilities Act were completed in Spring of 2010. The property met and/or exceeded standards set by the San Diego Unified School District.

Career Technical Education Programs (School Year 2019–2020)**Narrative provided by the LEA**

Sierra School offers a comprehensive Career/Life Skills program designed to prepare students to enter the community and workplace after they exit high school. Through our hands-on, interactive approach, students are exposed to basic life and vocational skills that apply to real-world settings and these skills are directly in line with the students' Individualized Education Plan (IEP). Students in the program will be responsible for creating their own portfolio, which will include such items as résumés, sample job applications, mock interview questions, industry tour information, community outing reflections, planning guides, and a library card. Many students will also have the opportunity to participate in work experiences at various job sites in the community based not their areas of interest and skill set. Sierra's Life Skills program utilizes "experience-based learning" that stresses direct participation in order to increase motivation, acquisition, and retention of the skills being taught.

Narrative provided by the LEA

Sierra School's safety plans includes: disaster procedures, procedures for safe entry and exit of students, procedures for serious disciplinary problems, a sexual harassment policy, child abuse reporting procedures, school dress codes, and school discipline policies.

POLICY

Sierra School shall assure that all students and staff members are aware of the Disaster and Mass Casualty Plan of Action and are prepared to follow its procedures should an emergency occur.

GOAL

- To assure a quick, safe exit from the building for all occupants when an emergency requiring evacuation such as an earthquake or fire occurs.
- To safeguard and supervise the students until arrangements can be made for their safe return to class, an emergency shelter, or their homes.

DEFINITION

A disaster or emergency is defined as any situation that involves the potential for serious injury or illness of a student, parent, or employee. Included in this definition is fire, explosion, earthquake, riots, etc.

3. All building exits shall be clearly identified as per code and numbered in case a specific exit must be used.
