Service Project

## 1ST EDITION

Welcome to the first edition of the High Road Happenings! Students and staff have had a busy start to the school year and are eager to share all we have accomplished.

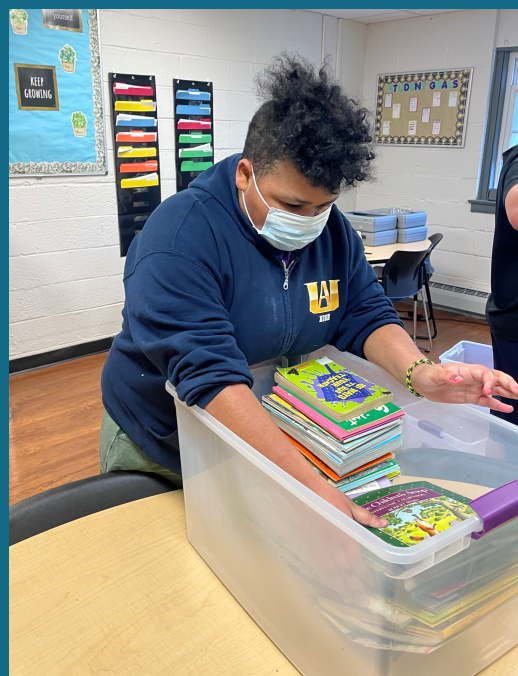

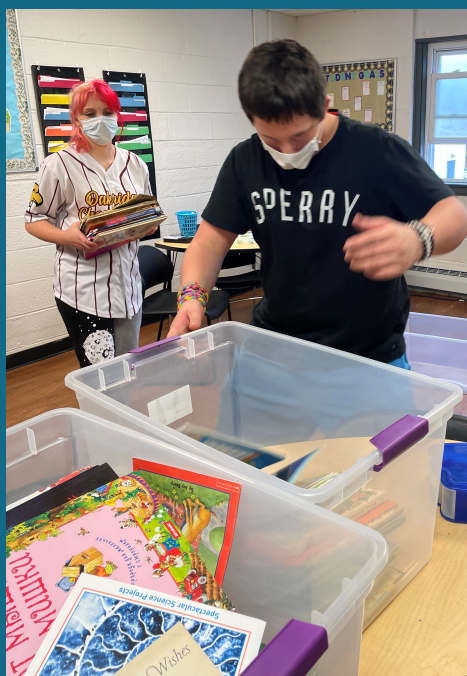

As part of our Career Readiness class students prepare, cook, and eat a meal weekly together! Some of our favorites have been tacos, buffalo chicken dip, and spaghetti.

Science fun for everyone! Students loved making lava lamps, and decorating and exploding pumpkins.

It is always a blast in Miss Waithe's Math class! Students enjoy the one on one support using our rotational model.

Our students participated in a service project sorting through and organizing children's books. Through the hard work of our amazing students, we were able to donate hundreds of books to teachers in need.
