MINUTES

Each academic year, schools establish Parent Advisory Councils (PACs) to bring together parents/legal guardians, teachers/staff, and community stakeholders to work with their school principal in the planning, design, implementation, and evaluation of the Title I Program.

PACs empower parents to inspire and assist their children in achieving educational goals and graduating from elementary and high school. PAC meeting activities include:

- Provide input on amendments and future Title I programs.
- Advise the principal on how Title 1 parent engagement funds should be spent in alignment with the school's Continuous Improvement Work Plan (CIWP).
- Provide assistance, support, and training to parents to improve their literacy and parent skills.
- Work to create equal partnerships between teachers, staff, and parents in the education of students.
- Provide information to parents that will enable them to work with the school to promote their children's grade level progress.
