Sierra School’s safety plans includes disaster procedures, procedures for safe entry and exit of students, procedures for serious disciplinary problems, a sexual harassment policy, child abuse reporting procedures, school dress codes, and school discipline policies.

POLICY

Sierra School shall assure that all students and staff members are aware of the Disaster and Mass Casualty Plan of Action and are prepared to follow its procedures should an emergency occur.

GOAL

- To assure a quick, safe exit from the building for all occupants when an emergency requiring evacuation such as an earthquake or fire occurs.
- To safeguard and supervise the students until arrangements can be made for their safe return to class, an emergency shelter, or their homes.

DEFINITION

A disaster or emergency is defined as any situation that involves the potential for serious injury or illness of a student, parent, or employee. Included in this definition is fire, explosion, earthquake, riots, etc.

2. All staff members are responsible for notifying the Program Director of potential hazards or obstructions to a safe exit from the building.
3. All building exits shall be clearly identified as per code and numbered in case a specific exit must be used.
