

Student SPOTLIGHT

Jared is a student in our Early Elementary Best Program. Over the last year, Jared has made exceptional growth with the support of his team at High Road of Hoffman Estates. Jared is a joy to have on our campus, and we can't wait to see where this school year takes him!

Within the classroom setting Jared has become a leader amongst his peers, modeling appropriate behavior and completing his assignments. Jared's classroom implements academic rotations utilizing Unique Learning Systems Curriculum (ULS) and PEAK programming. Jared loves participating in small and whole group academics through multi-modal instruction. Jared has developed skills as the result of participating in various therapeutic supports during the school day. Additionally, he has benefitted from music and horse therapy in combination with access to various related services throughout his time at High Roads of Hoffman Estates.

Jared has increased usage of his AAC device to interact with peers and staff throughout the building. Jared has been participating in community outings such as fieldtrips to playgrounds, nature preserves, and outdoors concerts.

Congratulations Jared, all of your staff and friends at HRSHE are so proud of all that you have accomplished!

Jared
2nd Grade
High Road School of
Hoffman Estates

"Jared brings so much joy into every room he enters; it has been a pleasure to have the opportunity to see Jared learn and grow into an amazing young man over the last two years."

- Justine Cutro, IEP Specialist

"Jared is an absolute delight to have in the classroom, he is a model student and a leader amongst his peers!"

- Ally Kolek, Classroom Teacher

"Jared has come a very long way since starting at High Road School, and I am so proud of the progress he has made with his communication at home and school. Jared has grown so much in two years, our family is so proud of the success he has found through his time at High Road.!"

- Chrystal, Mom
