

The Busy Bee

A LATTICE NEWSLETTER
NOVEMBER 2023

The Holidays are Coming!

It's hard to believe we are already entering November! The holidays are approaching quickly and we know that this can be a very busy time for families.

Reminder, we have a days coming up where we are closed for school. We will also send home flyers as these dates get closer. In addition, teachers will begin taking a look at data for progress reports. Keep an eye out for those coming in December!

Teacher Spotlight

Meet Jocelyn Huerta! Jocelyn is our amazing Elementary school teacher in Classroom 10/11.

She graduated from the University of California, Riverside, and received her teaching credential from Sonoma State University. She is hoping to pursue her Masters within the next year. In her free time she enjoys exploring new cities with her little family, tasting the best vanilla lattes at local coffee shops and finding the best treasures at thrift shops.

Lattice Loves Halloween

Halloween is our favorite time on campus! The staff and students all got into the holiday spirit and showed off their best costumes. Every year our students get to trick or treat classroom to classroom collecting sweet treats from their favorite staff. This year we also welcomed families to join us on campus for a Halloween parade where all of the student got to strut their stuff. We can't wait for next year!

Employees of the Month

Meet our two employees of the Month!

Ashley Huerta works as a Lead assistant in 5/7, our functional skills high school classroom. Ashley is always willing to lend a hand and is constantly looking for solutions for her students.

Eduardo Barcenas is a Lead assistant in Room 2, our community based transition classroom. Eduardo always finds ways to help his peers and is happy to share his experience with new staff starting at Lattice.

Thank you for all you do for our school!
