A LATTICE NEWSLETTER  
OCTOBER 2023

## Spooky Season is here!

Fall is officially in the air! I know our staff love the fall and are welcoming the cooler temperatures. This month we have a number of fun activities planned for our students including a spirit week, the return of picture day and of course Halloween! As we progress through the month, we will send home flyers and email reminders for each activity. We are looking forward to a fun October!

## Teacher Spotlight

Meet Aria Leone! Aria is one of our High School teachers. Her classroom is focused on functional skills and building independent living skills.

Aria is currently finishing up the credential program at SSU. Her favorite holiday is Halloween. When she is not in the classroom with your students, she enjoys crocheting and thrift shopping.

## One Haircut at a Time

Last month we had the honor of hosting the Gentleman's Barbershop of Windsor along with a number of other local barbershops and hairdressers. Together they successfully cut almost 20 student's hair!

We wanted to thank all the families that joined us and recognize the amazing work done by the barbershop! We hope to have them back again next semester.

## Picture Day Returns!

We are so excited to announce that Picture day will be returning this October 20th! We have contracting with a private photographer who is actually a former Lattice employee. We are excited to have a photographer who knows our students and can help capture them at their best! More details will follow as the date approaches, keep an eye out in your emails and flyers in student backpacks!
