

The Busy Bee

A LATTICE NEWSLETTER
DECEMBER 2023

The Halfway mark!

I have no idea how we ended up in December already! Seems like just yesterday we were welcoming students back to campus in August.

December is a pretty quick month on campus. Progress reports are getting completed and will be sent out to families on the 15th. Upon return to campus we will be looking to do Picture day reshoots and potentially welcome back our barbershop friends for more hair cuts.

I hope everyone has a wonderful winter break!

-Mary

Important Upcoming Dates

- 12/22-1/5:
Winter Break
Campus closed

Teacher Spotlight

Meet Shelby Bandula! Shelby is one of our Middle School classroom teachers.

Shelby previously worked for Lattice as a teacher assistant before leaving to get a Multiple Subject credential, a Mild/Mod credential and a Mod/Severe credential. When she isn't in the classroom, she is lifting heavy objects and putting them down and spending time cheering on her favorite football star on the field.

Progress Reports

December marks the first progress reporting period for our students. Families will receive a copy of progress reports either via email or sent home with students.

Teachers and specialists have been working hard to update progress for student goals. If you have any questions about progress reports, please reach out to your child's teacher for more information.

Employees of the Month

Meet our two employees of the Month!

Bianca LeMaster works as a Lead assistant in Room 3, our academic focused high school classroom. Bianca is completing her credential at SSU and has quickly become a leader on campus.

Alex Kim is one of our BCBAs. Alex is always willing to lend a hand whether it be for behavior, subbing in a classroom, or supporting our staff in training.

Thank you for all you do for our school!
