School Description and Mission Statement (School Year 2023–24)

Sierra School is a nonpublic, special education school with one overarching goal in mind: to provide an educational program that will make a difference in the lives of children. We want people to realize that children who face academic and behavioral challenges **can** be successful. To achieve this goal, Sierra School adheres to the following set of Core Values:

- We build the confidence and competence of children facing learning, language, and social challenges through personalized, academic interventions.
- We are committed to achieving success with each student even in the face of obstacles, challenges, and excuses.
- We are committed to preparing youth to become responsible adults who are able to participate in their communities and lead self-fulfilling lives. ^{[[SEP]]}
- We never give up on a child.

To assist our students in finding success, and to expedite their transition back into the public-school system, Sierra School utilizes standards-based curriculum and a unique rotational model that provides students with both direct and full-group instruction. Sierra School also provides a myriad of related services including, but not limited to: individual and group therapy, speech therapy, occupational therapy, physical therapy, life skills training, and art therapy. Sierra School also offers an adult transition program for students 18-22 years. The program focuses on IEP needs in the areas of: academics, job skills/training, mobility training, community college exploration, social skill training, self-advocacy skills, safety skills, and more. The transition program's goal is to help students become happy and productive members of society, while increasing a student's independence in various areas. ^{[[SEP]]} Sierra School had their onsite review with the California Department of Education in March 2023. Sierra School's Mission Statement is: "Building **confidence and competence** through personalized academic interventions." Please visit our website at: www.sesischools.com

B. Pupil Outcomes

State Priority: Pupil Achievement

Career Technical Education (CTE) Programs (School Year 2022–23)

Sierra School of Alhambra offers a comprehensive career and life skills programs and exposure designed to prepare students to enter the community and workplace after they exit high school. Through our hands-on, interactive approach, students are exposed to basic life and vocational skills that apply to real-world settings and these skills are directly in line with the students' Individualized Education Plan (IEP). Students in the program will be responsible for creating their own portfolio, which will include such items as résumés, sample job applications, mock interview questions, industry tour information, community outing reflections, planning guides, and a library card. Many students will have the opportunity to participate in work experiences on campus and at various job sites in the community allowing them to explore in both non areas and areas of interest and develop new skill sets. Sierra's life skills program utilizes "experience-based learning" that stresses direct participation to increase motivation, acquisition, and retention of the skills being taught.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

Opportunities for Parental Involvement (School Year 2023–24)

Experience has shown that individual meetings work best for our parent population. We are not a neighborhood school and many of our parents do not own cars, so must rely on public transportation. Additionally, many are employed in jobs that do not pay for any time off. To accommodate our parents, we arrange meetings around their schedules. Staff is in constant phone contact with parents and conference calls are sometimes used to allow parents a voice in their child’s education. The Assistant Principal, as well as a high percentage of our staff, are bilingual in English and Spanish.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
