Sierra School is a nonpublic, special education school with one overarching goal in mind: to provide an educational program that will make a difference in the lives of children. We want people to realize that children who face academic and behavioral challenges *can* be successful. To achieve this goal, Sierra School adheres to the following set of Core Values:

- We build the confidence and competence of children facing learning, language, and social challenges through personalized, academic interventions.
- We are committed to achieving success with each student even in the face of obstacles, challenges, and excuses.
- We are committed to preparing youth to become responsible adults who are able to participate in their communities and lead self-fulfilling lives. ⌷SEP⌷
- We never give up on a child.

To assist our students in finding success, and to expedite their transition back into the public-school system, Sierra School utilizes standards-based curriculum and a unique rotational model that provides students with both direct and full-group instruction. Sierra School also provides a myriad of related services including, but not limited to: individual and group therapy, speech therapy, occupational therapy, physical therapy, life skills training, and art therapy. School Safety Plan (School Year 2023–24)

Sierra School's safety plans includes disaster procedures, procedures for safe entry and exit of students, procedures for serious disciplinary problems, a sexual harassment policy, child abuse reporting procedures, school dress codes, and school discipline policies.

POLICY

Sierra School shall assure that all students and staff members are aware of the Disaster and Mass Casualty Plan of Action and are prepared to follow its procedures should an emergency occur.

GOAL

- To assure a quick, safe exit from the building for all occupants when an emergency requiring evacuation such as an earthquake or fire occurs.
- To safeguard and supervise the students until arrangements can be made for their safe return to class, an emergency shelter, or their homes.

DEFINITION

A disaster or emergency is defined as any situation that involves the potential for serious injury or illness of a student, parent, or employee. Included in this definition is fire, explosion, earthquake, riots, etc.

PROCEDURE

Disruption of communication is a serious problem during any disaster or emergency. Therefore, the school has developed a pre-established plan that designates the procedures and parties responsible for the implementation of the plan. Therefore,

1. The Program Director shall assure that all students and staff members are aware of the Disaster and Mass Casualty Plan through an orientation program and by having copies of the plan available in all the classrooms and offices.

2. All staff members are responsible for notifying the Program Director of potential hazards or obstructions to a safe exit from the building.

3. All building exits shall be clearly identified as per code and numbered in case a specific exit must be used.

All students requiring assistance due to physical disabilities shall be identified at the beginning of the school year and a staff member shall be designated as responsible for their evacuation.
