August Student Spotlight!

Xander Riley

Xander is a second-grade student here at High Road School of Bucyrus. Xander enjoys any candy, but especially sour and gummy candy, books, pop-its, and the iPad!

Xander's classroom would like to share a few words about why he deserves the student spotlight:

"Xander has really shined so far this year! His willingness to participate and show what he knows has been such a leading force in our class. Xander is constantly being a leader and showing our other students what they should be doing. He has been so willing to share and help out his classmates. This is a GIANT improvement from last year and we are all so proud... Not to mention he is one of the funniest guys! Xander is always ready to make you laugh with a silly comment. Our room would not be the same without his smile and infectious positive attitude. Way to rock it out Xander!" - The BLOOM Elementary staff.

Great job, Xander!
