AUGUST EDITION

A GLIMPSE INTO THE CLASSROOM

We are so happy to be back and diving into another school year! Our students have been busy getting settled into their classrooms, learning new routines and expectations, and beginning their beginning-of-year assessments. These first few weeks are an important time for our students and staff as we establish classroom norms, build relationships, and get back into the rhythm of learning.

As we move through the school year, we are excited to continue watching our students grow, learn, and work toward their individual goals!

Thank you for partnering with us as we kick off another great year at High Road! We are so excited for what's ahead!

STUDENT SPOTLIGHT

BLOOM

CLAYTON

We are so excited to announce Clayton as our student spotlight For the month of August. Clayton came into this school year, excited and ready to learn. Still mastering skills he has learned and building upon them. Clayton loves shopping for stuffy's, singing, and eating chocolate donuts. He has been doing so well communicating his wants and needs using his AAC device as well as working on cutting independently. We are SO proud of the progress that Clayton has made and continues making.

SPARK

BREN

Bren is such a funny and smart student who brings so much personality to the classroom! It has been amazing to see how much he has grown since last school year. Bren has worked hard to make positive choices, stay engaged with his work, and use his behavior management strategies when he needs them. Watching him learn, grow, and become more confident in himself has been incredibly rewarding. Bren is a great example of what it means to demonstrate our C.A.S.E. behaviors, and we are so proud of the student he continues to grow to be!

STAFF SPOTLIGHT

MS. TAYLOR H.

This month, we are excited to shine the spotlight on Ms. Taylor, our Middle School BLOOM Teacher!

Ms. Taylor has absolutely been rocking it in her classroom this year! She has faced plenty of obstacles and changes right from the start, but she has handled each one with grace, flexibility, and a positive attitude. Through it all, Ms. Taylor continues to keep her focus where it belongs; doing what is best for her students. She shows up each day ready to support her students, adapt to whatever comes her way, and create a positive environment for learning.

Thank you, Ms. Taylor, for your dedication, positivity, and commitment to our students! We appreciate everything you do! 💙
