Issue #01

Exploring, learning, and growing
together—one day, one lesson,
and one success at a time!

This Month at High Road

As we begin the new school year, staff at High Road spend a good amount of time building expectations and routines for the classroom and school. All students are incentivized to practice the expectations daily through our PBIS system, CASE. This includes visiting Showcase and earning Fun Friday activities.

Considerate

High Road students are expected to be **CONSIDERATE** towards peers and staff!

Accountable

At High Road we teach students to be **ACCOUNTABLE** for their actions and choices pertaining to academics and behavior.

Safe

Students need to engage in **SAFE** behavior in all areas of the school.

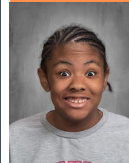

Engaged

At High Road the expectation is for students to be **ENGAGED** in active learning.

Student Spotlight

Each month, we celebrate some of our shining stars! This section highlights a student/s who has gone above and beyond—whether through accountability, considerate, safe, or engaged. Let's cheer them on and be inspired by their example!

Olivia Terry

Olivia is a 7th grade student in Middle School and shows up every day with a positive attitude. She contributes to class discussions and meets CASE expectations.

Michael Billenstein

Mike is an 8th grade student in Ms. Mooney's classroom and has had a terrific start to the school year by meeting expectations in the classroom!

We are off to a wonderful start this school year! The students are doing well with adjusting to school routines and expectations.

This year at High Road we are introducing new curriculums across the board to better serve our varied learners. The Spark program is embarking on Let's Go Learn! We have left iReady behind and are excited by the Let's Go Learn platform and the ability to better serve our students academic needs in Math and ELA. For social/emotional learning we have introduced Character Strong. Spark students will be working in both of the programs daily. Bloom model students will be using Everyday Speech to support social/emotional skills. We are also introducing Teach Town which will be a part of the students ELA rotations.

With the new curriculums and exciting events we have planned, I am looking forward to another year of success at High Road!

Karis Thines, Program Director
