Welcome to September !
Keep Shinning!
Learning & Growth
CharacterStrong

*Character
Strong*

This year, High Road School of Marion is using CharacterStrong to help our students build important social-emotional and character skills. Through engaging lessons and activities, students will practice emotional regulation, empathy, resilience, responsible decision-making, and positive relationships. CharacterStrong gives our students practical tools they can use both at school and at home. Our goal is to help every student feel supported, connected, and confident while developing skills that will help them succeed in school and in life. We look forward to growing these skills together throughout the school year!

Welcome to our latest newsletter, High Road School of Marion County, part of SESI's (Specialized Education Services, Inc.) dedicated network of alternative education programs. Dive in for insights, stories, and a look ahead.

WELCOME TO SEPTEMBER!

The 2026–2027 school year is off to a great start at High Road School of Marion County! As we settle into our new school year and continue making our new building feel like home, our students and staff are working hard to build routines, strengthen relationships, and create positive learning experiences. Our goal continues to be simple: meet students where they are and help them discover what they are capable of achieving.

LEARNING & GROWTH

September is all about establishing strong routines and setting students up for success.

Students are working on:

- Building classroom routines
- Participating in morning meetings
- Increasing academic engagement
- Practicing communication skills
- Developing emotional regulation
- Strengthening social skills
- Working toward individual academic and behavioral goals
- Increasing independence through life-skills activities

KEEP SHINING!

We want to recognize ALL of our students for the effort they are putting into the beginning of the school year.

Whether a student completes an academic assignment, participates in a group activity, uses a coping strategy, asks for help appropriately, or successfully navigates a difficult situation—every step forward matters.

We are proud of the progress our students are making each day!

Stay Connected

If you have any questions or need support, don't hesitate to get in touch with the school office or Mrs. Sanford. We're here to help and support your family.

Thank you for joining us on this journey. Together, we're charting a High Road—one of hope, tailored learning, and community support.
