A Quarterly Newsletter by Sierra School of Solano

Welcome to the 2026-2027 school year! After a fun and productive week of staff training, we are eager to have the students back on campus as we focus on "Leading with Spirit". We are excited to begin another year of learning and growth as we cheer each other on every day, promoting school pride and comraderie.

We are committed to helping students develop the skills they need to:

- Recognize and express their emotions
- Communicate appropriately
- Build positive relationships
- Make responsible choices
- Manage frustration and conflict
- Follow routines and expectations
- Develop confidence and independence
- Repair relationships after difficult moments
- Experience success in the classroom and school community

Thank you for trusting us to support your children. As we teach and practice our CASE approach (Considerate, Accountable, Safe and Engaged), we ask that you join us in creating a positive and encouraging school community. Working together, we can help each student grow academically, socially and behaviorally. We can't wait to see all the wonderful things to come!

Go Panthers!

With appreciation,
Jenelle Droke
