SEPTEMBER EDITION

A GLIMPSE INTO THE CLASSROOM

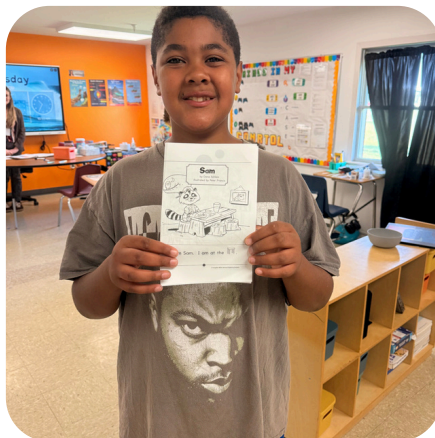

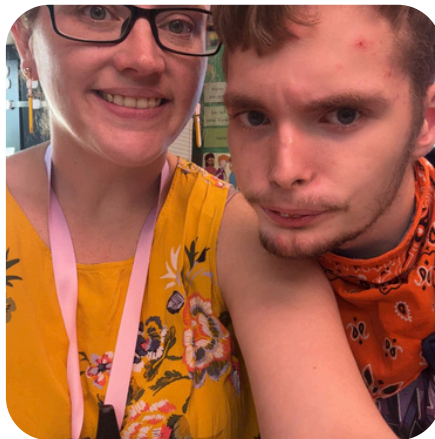

September has been a busy and exciting month at High Road! Most of our beginning-of-year assessments are wrapped up, and our students are settling into their classroom routines and getting comfortable with the school year.

We are really diving into learning, working toward individual goals, and celebrating the progress we see each day.

We're also getting into the fall spirit! 🍁 Our classrooms are enjoying seasonal activities, fall-themed learning, and plenty of opportunities to celebrate this time of year.

We're excited for all the fun, learning, and memories still to come this fall!

STUDENT SPOTLIGHT

BLOOM

GRACE

Grace is a 10th grader at High Road School of Bucyrus and has shown wonderful growth this school year. Since this is my first-year teaching in Grace's classroom, it has been exciting to see the progress she has made compared to last year. Grace has made significant improvement in the classroom, including completing every rotation. Grace enjoys her Leap Top and Dora, frequently speaks in Spanish, and loves to talk with those around her. She brings a bright and cheerful energy to the classroom each day. Grace is truly a ray of sunshine who can make anyone laugh, and her unique personality makes her a joy to be around. We are so proud of the progress she has made and are happy to celebrate her as Student of the Month.

SPARK

MASON

Mason enjoys building with LEGOs, learning about dinosaurs, and enjoying his favorite cherry suckers! Mason is our little love bug! He loves giving hugs, showing off his hard work, and sharing his accomplishments with others. Mason has been working hard and has made great progress this year, especially with staying in his assigned area and participating in his classroom rotations. He has also been striving to make green choices and continues to show us how hard he can work. Keep up the great work, Mason! We're so proud of you! ★

STAFF SPOTLIGHT

MS. CORAL

This month, we're excited to spotlight Ms. Coral, who has been a valued part of the High Road team for the past 3 years! Most recently, Coral earned her RBT licensure, adding another accomplishment to all that she brings to our school.

Coral consistently demonstrates what it means to be a true team player. She is hardworking, dedicated, and always willing to jump in wherever she is needed to support our students and staff. She has a genuine passion for our school and the students we serve, and she brings a positive attitude with her every day.

Coral is also always full of compliments and encouragement for those around her, making her a wonderful person to have on our team. We are so lucky to have her—and we think she is just fabulous! 💙 Thank you for everything you do, Ms. Coral! We appreciate you!
