## FROM THE PRINCIPAL'S DESK

As we wrap up the first quarter, we are excited to reflect on a successful start to the school year! Our students and staff have worked hard to establish routines, build relationships, and create meaningful learning opportunities. We are proud of the growth and accomplishments we've seen throughout Quarter 1 and look forward to building on this success as we head into the second quarter!

**District Partners: We have select openings in elementary, middle, and high school programs! We would love to connect with you and your team!**

## MEET OUR BCBA

Jami Ely is our Board Certified Behavior Analyst. She provides behavior consultation services for whole classes and individual students.

## HIGHLIGHTS FROM LAST MONTH

October was full of learning, connection, and celebration! We recognized World Teachers' Day, Breast Cancer Awareness Month, and Domestic Violence Awareness Month, along with Zones of Regulation Spirit Week. Students also enjoyed the PATH Pals puppet show, focused on feelings, mental health, safety skills, and where to turn for help. We wrapped up the month with school-wide Halloween games and crafts, giving students and staff a fun opportunity to celebrate together!

## REMINDERS

- November 11 Early Dismissal
- November 16-20 Spirit Week
- November 25-27 No School

## STUDENT AND STAFF SPOTLIGHT

We're proud to spotlight one of our students who is building valuable skills and exploring a future in firefighting through the Fire Science program at a local career academy!

We're celebrating Peaches, an invaluable member of our paraprofessional team, whose dedication shines through in supporting our Spring High students and always stepping in wherever needed!
