High Road School of Naperville

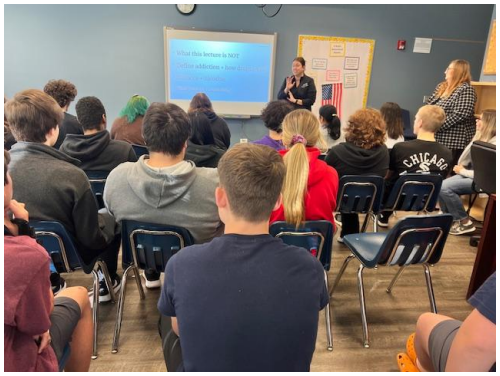

October 2026

- October has been an exciting and meaningful month in our building! During **Red Ribbon Week**, our students and staff focused on the importance of making healthy choices and building positive habits. We were especially grateful to welcome Dr. Ashley Iannantone, Doctor of Emergency Medicine and Addiction Medicine, as a guest speaker, who shared valuable insights with our students and helped reinforce the message of prevention and wellness. We also hosted a wonderful career fair, where students had the opportunity to explore a variety of future career paths and connect with community professionals (and even some of our former students). In addition, we enjoyed celebrating **Halloween** with fun, creativity, and school spirit. Congratulations to our Door Decorating and Pumpkin Winners (Classrooms 1, 4 & 9). We wrapped up the month with **Parent-Teacher Conferences**, which provided a valuable opportunity for families and staff to connect and support our student success together. As always, thank you to our families and community for your continued support in making our school a positive and engaging place for all students.

Students of the Month

Eric-Eric is Student of the Month for showing leadership, responsibility, and hard work. As a Pledge 1 student, he sets a positive example by redirecting peers and standing up for others when they are being picked on. He consistently completes his work and has been working especially hard on improving his reading.

Travis-Travis is Student of the Month because he is a great role model both in and out of school. He is making strong strides, working hard, and showing a commitment to giving back through community service. He is consistently kind, respectful, and promotes positivity, making him a great example for others. The positive feedback from his mom also reflects the character and effort he shows every day.

Staff of the Month

Madhavi- Madhavi is consistently kind, positive, and hardworking, while also upholding the school's expectations for students. She is always willing to help, regularly attends staff calls, and brings encouragement to both staff and students. Her strong leadership in Class 8, especially when she successfully managed the class on her own last week, shows her dedication and reliability. Thank you, Madhavi, for all that you do!

Courageous Students

As part of this year's theme, classes are exploring monthly themes. The theme for October was Courage. Here is how courageous we are!!

Students used courage to perform in front of their peers.

Students used courage to talk to people they did not know about potential careers.
